

MARYLAND MEDICAID PHARMACY PROGRAM

No. 138
October 24, 2013

ADVISORY

*In an effort to give timely notice to the pharmacy community concerning important pharmacy topics, the Department of Health and Mental Hygiene's (DHMH) Maryland Medicaid Pharmacy Program (MMPP) has developed the **Maryland Medicaid Pharmacy Program Advisory**. To expedite information timely to the pharmacy and prescriber communities, an email network has been established which incorporates the email lists of the Maryland Pharmacists Association, EPIC, CARE, Long Term Care Consultants, headquarters of all chain drugstores and prescriber associations and organizations. It is our hope that the information is disseminated to all interested parties. If you have not received this email through any of the previously noted parties or via DHMH, please contact the MMPP representative at 410-767-1455.*

Important Notice from Maryland AIDS Drug Assistance Program (MADAP):

As of November 1, 2013 Pharmacies **must use** MADAP's Medicare PCN DRAPPROD01 for all Medicare Part D Beneficiaries. If this code is not used - the claim(s) will be denied. MADAP's PCN DRAPPROD remains the same for all other participants.
